"A GROWING NEWSPAPER ☆ IN A GROWING COMMUNITY"

Volume 51, Number 11. CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA Thursday, January 31, 1946

'round town

with Betty Allen...

The big news around The Press office this week was the installation of a new press. Removal of the large front window was necessary and quite a few people enjoyed watching the new machine go into place through the gaping hole. In a spirit of goodwill to mankind the new piece of equipment has been placed in front of the window because everyone knows that next to a steam shovel, a newspaper press is the second best thing to watch operating. It is hoped the new press will give the readers a better looking paper and will also speed up the production of printing orders.

★ ★ ★

Musical programs at the Methodist church are a bit on the unusual side since Lawrence J. Osborne, minister, took over the direction. A graduate of the Bush Conservatory of Music in Chicago, he has had musical experience in conjunction with his pastoral work in each of his four previously-served churches. In addition to the adult choir there are two children's choirs. The younger group, called the Cherub Choir, meets every Thursday afternoon for instruction and many of the members are only five years old. The other children's group is composed of youngsters from 9 to 14. This group distinguished themselves last Sunday singing a two-part arrangement of "Lead Me, Lord". Their director feels that part of their ability comes from the fact that every member of this group plays a musical instrument and is deeply interested in developing his or her talent. Next month the Cherub Choir will make its debut.

★ ★ ★

There's a lot of excitement around the vicinity of The What Not and the Campbell Grammar school for Paul Becker, former vice-principal, is home from the wars after a year and a half in Germany. He was flown from New Jersey to Camp Beale and when his wife, Vivian Becker, and Jane Parr arrived at camp to chauffeur him back to Campbell he was waving his discharge papers over his head.

★ ★ ★

The Nelson brothers of Nelson Grain fame have been having a bad time trying to put a brooder together this week. It seems the manufacturers sent it without any directions. Maybe they should offer one as a prize to whomever can figure it out.

Martin Serving On Minesweeper

Lt. (j.g.) Donald N. Martin, USNR, 19 Page Ave., is serving on the minesweeper USS Vigilance as she steams to San Francisco after leaving Pearl Harbor Jan. 9. A veteran of 18 months of continuous war and peacetime operations in the Pacific, the Vigilance has a record of destroying three and helping destroy three other Jap suicide planes; sinking two midget submarines, and twice aiding destroyer escorts crippled by suicide planes.

She won the Navy Unit Commendation for her aid to the stricken ships. She also swept mines from coastal waters at Okinawa and the mainland of Japan.

Mrs. Newman Visits

Mrs. Nora Newman was a brief visitor from Richmond at the home of her parents, Mr. and Mrs. G. A. Dahms, last week.

Flemings Have Son

Mr. and Mrs. Robert S. Fleming Jr., are the parents of a son, Glenn Stewart, born Jan. 18 at the San Jose hospital.

Every week a name will be drawn from our list of new subscribers and printed in the classified ad column. The person whose name appears there may receive two free passes to the Campbell Theater by calling at the Press Office. Look and see if your name is there!

Campbell Man Takes Bride

Last Saturday evening at St. Luke's church in Los Gatos Miss Vera Grace Vince, daughter of Mr. and Mrs. Arthur L. Vince, Kennedy Road, Los Gatos, became the bride of Frederick Alfred Grass Jr., son of Mr. and Mrs. F. A. Grass, Thornton Way, Campbell.

Given in marriage by her father, the bride wore a handsome white satin wedding gown which had a sweetheart neckline and long sleeves with a lace-edged fingertip veil. Her flowers were gardenias with an orchid center.

Matron of honor for the ceremony was Miss Beverly Boynton of Chico, whose gown was pale blue net; bridesmaids were Miss Kathleen Grass, sister of the bridegroom, who wore a yellow net gown; Miss Elizabeth Peterson of Los Gatos, who chose peach net; and Miss Merry Page, also of Los Gatos, whose bridesmaid's dress was pink net. All four attendants wore small Dutch caps of net in colors to match their dresses and carried old fashioned bouquets.

Serving as best man at the wedding rites was Lamont Galbraith of Los Gatos.

Following the ceremony a large reception was given by the bride's parents at the History Club with dancing for the guests. The bride's mother chose a black dress for the occasion, with a small pink hat and corsage of orchids; Mrs. F. A. Grass, mother of the bridegroom, also wore a black gown trimmed with turqouise sequins and a black hat. Her corsage was of pale pink camellias.

The brdegroom received his discharge from the service in December after serving in the South Pacific. After the reception the young couple left for a wedding trip to Vancouver, B. C. They plan to make their home in San Francisco on their return.

Taxi Company To Operate Here

Added to the list of new businesses springing up in Campbell is the Campbell Taxi Company which began operations this week with headquarters at McCoy Shell Service Station, corner of Campbell and Central Avenues.

The business is owned and operated by Garland Spears nad his uncle, Charles Gibbins, formerly of Madera. Spears, a Campbell man, has recently returned to civilian life after three years in the Army. Of that time, 23 months was spent in service in Iceland. He and his wife, also a Campbell girl, Kathleen Clement, are now at home on Casey Road.

Beginning business with two taxis, this new company will offer day and night service to the community.

Pundita Circle Meets

Pundita Circle met Jan. 23, with Mrs. Wilbur Mitchell. Mrs. E. K. Clendenning and Mrs. Stanley Smith were co-hostesses for the afternoon.

After the salute to the flag Mrs. F. Stephens read "The Conference Prayer", and the president, Mrs. S. Smith, presided over the regular business meeting. There were 17 members and one visitor present.

The topic for the day was "Planning For Peace", and Mrs. E. K. Clendenning read a well prepared paper on the plannnig. Mrs. S. Smith then spoke on "World Brotherhood", giving a very interesting and instructive interpretation of the subject.

After the hostesses had served refreshments the meeting adjourned to meet in February with Mrs. Wilbur Mitchell; the co-hostesses to be Mrs. M. E. Purmort and Mrs. M. C. Ralston.

—F. O. C.

A recent Navy dischargee is Raymond T. Barbano, Rte. 2, Box 738.

Bucs Beat Gilroy, Play Mt. View Friday Night

The Campbell varsity basketball team is back on top of the league with Los Gatos again this week after dumping Gilroy, 45-36. Los Gatos took a loss at the hands of Santa Clara.

Gilroy started off fast—led 12-6 early in the game—but field goals by Wayne Buck, Warren Adams, and Dewey Kosich, gave the local boys a 22-20 lead at halftime. The second half remained close as Paul Meyer and Gilroy's Dude Anguis "soured them in" from all angles. Angius was high point man for the evening with 18 points, and Paul Meyer was close behind with 16, 15 of them coming in the second half.

With Don Ervin scoring eight points in the first quarter, our 30's got off to an 11-0 lead. From then on Coach Hill used every member of the squad. The final score was 25-16. Ervin rang up 13; Ray Fish and Dick Sakamoto, four each.

The county high schools will focus their attention on Campbell this Friday night as Mountain View, with three wins and one loss, plays two games here. First game will start at 7:30.

Bakery Adds New Equipment

In keeping with progress in the baking industry, Hans Hansen, owner of the Taste Good Bakery, has installed a large 8-door, modern, dough-retarding refrigerator which will hold 84 bun pans 25x16x2 inches and which has also two shelves for fruits. The new piece of equipment is so large that the frame of the rear door had to be removed to allow its passage.

Says Mr. Hansen: "Thers is a nation-wide tendency to enforce shorter hours of work in every line of industry. The bakery is one place where it is migthy difficult to speed up the natural processes of production and get through in a given time. Refrigerated processing helps organize production for time saving. This is done chiefly through the production of ice-box cookies, certain pies, certain cake batters and retarded sweet yeast dough products, particularly Danish pastry. Through its intelligent use, frequent bakings of many lines are possible and fresh, hot goods will be available to our customers throughout the day.

"The public is invited to come in and watch us do the baking and see our completely remodeled shop."

Legion Initiates New Members

Campbell's first Legionnairess, Lorene Horner Hedegard, received the emblem during initiatory rites last Wednesday evening, being one of fourteen inducted into the organization. Her husband, Sanford Hedegard, likewise took the obligation and was received into membership, as were M. A. Madsen, Herbert E. Waltz, Wm. J. Ramsay, James C. Malone, Richard B. Arlidge, Claude Oliver Grizzle, Nathan J. McCoy, Richard H. Glader, John W. Stuart, Howard P. Coupland, Frederick C. MacDonell, and Paul A. Werthmann.

The degree team was recruited from War II veterans, with several exceptions. Merlin Bohnett took over the gavel from Commander Wilbur Mitchell to preside, with Paul Wehunt, Al Carter, and Rex Fuller assisting. The degree work was conducted in the main lodge room upstairs, while the lower floor was being prepared for refreshments which followed.

February 7 was announced as graduation date for the local grammar school, at which time the two annual Americanism awards will be presented by Legion officials. These merit badges go to outstanding pupils in scholastic work.

The district meeting held in Watsonville last Sunday drew Commander Mitchell, Adjutant Al Carter and Bill Weeks. They reported on the fruits of their trip, telling of Legion legislation presented and sped on its way to state headquarters.

Ed Lee's Sons of Legion, recently chartered here, received as committeemen assisting this boys' organization, Louis Fortaine, Sanfard Hedegard, Claude Grizzle.

Motions were offered requesting federal speed-up in remitting payments to veterans in schools, dependent upon these slow-arriving checks.

Sigmas Honor New Mothers

The Sigma Sigma group of the Campbell Congregational church was given a lovely party last Tuesday night by Miss Rachel Spradling and Mrs. H. F. Evans, at the home of Mrs. C. B. Field on N. 2nd St. The delightful affair was in honor of two new mothers, Mrs. Lowell J. Benson and Mrs. Kenneth Robison, Sigma members, whose baby daughters were born last month.

Exquisite corsages of Cecile Brunner roses and hyacinths were presented to the honorees and the charming decorations carried out the theme. The Sigmas presented a beautiful baby blanket to each of the new mothers.

The next regular meeting of the Sigma Sigmas will be held Feb. 12 at the home of Mrs. J. R. Pollard on Carlyn Ave.

"They say all his other clothes went to the Victory Clothing Collection."

Railroad Commission Reduces P. G. & E. Gas Rates In Area

A rate reduction of $3,500,000 annually, or an average of 10.3% for gas consumers of the Pacific Gas & Electric Company has been ordered by the California Railroad Commission after an investigation on its own motion, L. Harold Anderson, president of the commission, announced.

The reduction order will become effective with meter readings taken on and after Feb. 28, 1946, Anderson said.

The order climaxes a rate case which started with a public hearing before the commission on Dec. 14, 1944, and included 46 different days of hearings, occupying 4200 pages of transcript.

Practically all of the $3,500,000 has been assigned to the general service customers because, as stated in the commission opinion, the general service group represents the backbone of the company's gas business, accounting for over 99% of the customers served. The general service group includes residential, commercial and small industrial customers. While the average reduction for general service is approximately 10.3%, some communities and cities have been given less than the average reduction while others are granted reductions in excess of the system average. In some of the smaller cities and outlying areas where the rates have been materially higher than in the larger cities, the reductions are greater providing the communities have shown a marked growth both in population and customer density. In such instances reductions may be as high as 25% or more.

The order stated that the gas reduction has been brought about even though the costs for many classes of expenses have been increasing. However, the reduction in federal taxes, effective the first of the year, is contributing materially to the savings that are passed on in the form of lower rates. In addition, the commission stated that as customer usage increases and as the number of customers served increases, earnings increase and a portion of these increased earnings is being passed on to the consumer.

Several of the material rate reductions were brought about through a reclassification of zones for various areas.

The total percentage reduction assigned to Campbell was 3.8%.

While the over-all reduction was 3.8%, customers may receive somewhat different percentage reductions depending upon the magnitude of their monthly consumption. For example, a customer using 5000 cu. ft. a month will receive a reduction of 2.8%, while the billing for 25,000 cu. ft usage will be reduced 5.3%.

Kiwanis Club Hears Student Panel

With James Dent as chairman Tuesday's meeting of the Kiwanis club, heard a student panel discussion given by Campbell High students on "Compulsory Military Training". Taking part were Dale LaMar, Charles Busack, Bill Underwood, Royce Root and Nina Page.

Guests for the luncheon meeting were Carl Franzen of Oakland brought by Frank Coombs, and Jack Murdock's guest, Tom Walsh of San Jose. Also visiting the club were Joe McKinnon of San Jose's club, and George Place Jack Bond, L. R. Erickson, and E. O. Thorwaldson, all of the Los Gatos club.

Next week Jack Murdock will give an achievement report on the Campbell club.

Lt. Stojanovich Released

Recently released from active duty in the Navy is Lieut. (j.g.) John R. Stojanovich, Rte. 1, Box 50, who served as best man last Sunday at the wedding of Miss Anna Ban and his brother, Edward Stojanovich.

Census Taking Completed

A total population of 3251 for Campbell is reported by the Campbell Water Company, which has been taking a census during the past two months.

Ralph Hyde of the Water Company reports that the boundaries for the territory included in the count are: starting at Los Gatos Creek at Hamilton including all of Hamilton, west to Winchester Road, down Winchester Road to Payne Ave., back to Rosemary Lane; all of Rosemary Lane, then south to Latimer Ave., all of Latimer Ave. to the San Tomas Creek, along the creek to Rincon Ave., all of Rincon to Winchester Road; south on Winchester to Kennedy Ave., and on Kennedy back to the Los Gatos Creek.

Campbell's number of meters meets exactly the national average in relation to the population. There are 872 meters in this area which gives a population of 3.7 to each meter. Of these 715 are for single families; 74 for multiple families (meters which serve several families living together or in groups) and 83 for commercial use which includes all other than domestic.

PTA Will Observe Founders' Day

Founders' day will be observed by Campbell High and Grammar School PTA units Tuesday, Feb. 5, at 3 o'clock in the Grammar school auditorium. Past presidents of both units will be honored. Rev. L. Osborne will participate in the program with vocal solos.

At 2:30 o'clock Mrs. Earl Booker will preside at the usual business session of the High School unit. The nominating committee will be appointed, and a Life Membership presented.

The executive board will meet at 2 o'clock in the Grammar School auditorium. All officers and chairmen are requested to be present. Yearly bills must be ready for presentation.

Viola Coonradt Wed Sunday

A bride of last Sunday was Miss Viola Mae Coonradt, daughter of Mr. and Mrs. Ernest E. Coonradt, who was married to Lester I. Pearmine Jr., son of Mr. and Mrs. Lester I. Pearmine of Salem, Oregon, at the First Methodist church in San Jose at 4 o'clock in the afternon by the Rev. Joyce Farr.

The bride attended the Campbell High school and is well known here. Her sister, Mrs. Frank Deromedi of Berkeley, was matron of honor, and her bridesmaids were Miss Joan Kennedy of San Jose and Miss Bertie Lee Farnham of Campbell who has been living in Portland, Oregon, and arrived by plane for the ceremony.

The bridegroom had as his best man, Robert Rulisson of Salem, Oregon, and ushers were Frank Deromedi and Harold Truscott. His sister, Miss Jane Pearmine of Salem, Oregon, provided music for the nuptials.

Both the bride and groom attended Oregon State College, where Mrs. Pearmine was affiliated with Pi Beta Phi sorority, and the bridegroom with Phi Delta Theta. Mr. Pearmine has recently been discharged from the Marine Corps.

Monday's meeting of the Country Woman's Club will commemorate its 41st anniversary. One of its members of long standing, Mrs. E. R. Kennedy, has written for The Press a brief history of the club and an explanation of its aims.

•

THE COUNTRY WOMAN'S CLUB

By MRS. E. R. KENNEDY

The Country Woman's Club was started back in 1905, in February, by a group of women who felt the need of intellectual and social contacts. Mrs. E. I. Price was the first president, and from the beginning a great factor in the formulating of club policies. For this was not just another club —it had an aim that seemed very ambitious at that time This aim was to secure for Campbell an adequate free library, and to this end these women devoted much of their energies.

The present lot was secured by the gift of half the necessary funds from Mrs. Price's mother, and the loan of the balance by Mr. Price at no interest. Then the small building was built on the rear of the lot, and E. Janes, husband of one of the first presidents, was the unpaid librarian for many years. When the County supplied Campbell with more books at the inception of the County Library plan, another loyal member of the club was librarian, one who is remembered with affection by all who knew her, Miss Mary Lewis. By the way, the present librarian, Mrs. Lillian Voge, is a charter member, and the daughter of the late Mrs. Ellen R. Smith, who was president longer than any other.

After many years in the small and inadequate building that housed the library, in 1921 a determined drive for funds for a new building was made under the chairmanship of Mrs. Ralston Alison. Due to the generosity of J. C. Ainsley, whose $1000 gift heartened the campaign, and to the hundreds of smaller contributions, the next fall saw the opening of the present building, furnished, the curb and gutter in on both sides, but a small debt of about $2500 outstanding, which the club assumed. This was paid a few years later, and subsequent improvements have been made out of reserves.

The first two years the club undertook to pay all the expenses of the building and its share of the librarian's salary, helped in this, of course, by the rental of the club room. This p roved too heavy a burden, and the Community Chest has since that time helped with $500 yearly. The rentals have always been low because it was felt that the community had paid for the building and it should be used for community benefit, and through the years this policy has been followed. Therefore the rentals have helped but have not supported the building, and every year a portion of the club's personal income has been used to help with the necessary expenses and reserves. The club is proud of its record as trustee for the Campbell Library.

If this were all that the club had done in its long history it would be worth while, but while the Library is probably the most concrete accomplishment, there are the intangibles, expressed in our articles of incorporation: "To increase kindly fellowship, to encourage free speech upon all subjects of general interest, to foster worthy talent within our midst." From the very beginning this was not a teaparty club, but one that tried hard to meet current problems through study and debate. Of late, there have been many guest speakers, but the club has always encouraged the members who were willing to give the time in research to prepare their own papers.

DREW PEARSON

SELLING STEEL INCREASE

WASHINGTON—Most of President Truman's appointments are very brief. Senators get five minutes with him. Congressmen get from 5 to 15 minutes. Cabinet members frequently get only 15 minutes.

So recently eyebrows went up when the White House bulletin board listed OPA Administrator Chester Bowles for a full hour with President Truman. Observers knew that the heat was on to increase the price of steel, and sell to inflation's No. 1 enemy on giving the nation its first big inflationary shot in the arm.

When Bowles entered the President's office, the die was already cast. Truman had decided that steel prices were going up. His job was to sell the idea to Bowles. Truman himself had been sold by his old friend, Reconversion Czar John Snyder of St. Louis, who in turn had been wined and dined by the steel people in Pittsburgh.

Chester Bowles also had talked with big steel leaders. His talks were far more energetic, more persuasive than Snyder's. Bowles once ran one of the best advertising firms in the nation, is an excellent salesman. All his salesmanship was turned on big steel leaders.

"You are going to have a bigger margin of profit than you realize," he told them. "You are now working 44 hours in the mills and 52 hours in your captive mines. When you drop to 40 hours, you will net a big saving in overtime. The price of scrap iron is now at ceiling. It will drop in the spring, which means more saving. Production per man went up to 10 per cent after the last war. It will do the same after this war, which will save you 100 million dollars alone. You can't tell what your profits will be. So why not try out a new increased wage scale without a sharp price hike? Try it out for six months—then come back and we'll examine the whole question again. If you need a price increase then we'll give it to you."

Bowles is a persuasive talker. He has more charm than any Washingtonian since Franklin Roosevelt. But he made no impression.

"After the last war, steel wages soared even without union pressure," Bowles summarized. "So did prices. And once inflation gets going, you'll have labor coming back until they get, not a 30 per cent increase in wages, but 50 per cent or even 75 per cent. You can't tell where this thing will stop."

★ ★ ★

EUROPEAN REFUGEES

Some of Jimmy Byrnes' expediters have really pepped up old-line state department diplomats when it comes to admitting European refugees.

When President Truman first proposed filling unsued U. S. immigration quotas by admitting homeless refugees from Europe, state department diplomats said they had neither funds, nor the personnel—nor perhaps even the disposition.

However, some of the South Carolina blood which Byrnes has injected into the state department (men who drink coca-cola instead of tea) decided that Presidential orders should not be kissed off so airily.

Though no money was available, they finally went to the bureau of the budget and squeezed out enough cash money to hire new consular personnel. Already they have started flying supplies to Europe to set up special offices to screen refugees and give them visas.

Old-time diplomats are leaning back in amazement. They have never seen so much speed before.

★ ★ ★

THE MERRY-GO-ROUND

Last spring the department of agriculture quietly agreed to advance France 750,000 tons of sugar from the Cuban crop. French colonial crops at that time were down to practically nothing and even what we loaned the French permitted a per capita consumption of only 22 pounds annually, compared to our 64. This friendly move is paying off now, however; because under the terms of the agreement, practically the entire French West Indies crop for this year comes to us. It is somewhat larger than was anticipated, and current estimates are that we will receive about 900,000 tons. . . . Henry Morgenthau's book on Germany, which appeared last fall, is not the only book the former Secretary of the Treasury will write. During his 12 years of close association with President Roosevelt, Morgenthau made painstaking notes on every conversation he had with FDR—and except for Harry Hopkins he probably had more than any other cabinet officer.

★ ★ ★

CAPITAL CHAFF

The radio time for Senator Taft's attack on Truman's address to the nation was reserved for him by the Republican national committee. . . . When Henry Kaiser signed his new contract with the auto workers, he remarked: "Dick Thomas (UAW president) is the man who came to the west coast last year and convinced me that I should take' over the Willow Run plant and make automobiles. That puts the responsibility on his shoulders to see to it that I have the men to do the job."

☆ Looking Back ☆

10 Years Ago,
January 30, 1936.

Funeral services were conducted for C. H. Whitman, known as the dean of Campbell business men.

The ground-breaking for the new high school will be held on Tuesday.

15 Years Ago,
January 27, 1931.

Five dollars will be awarded the the owner of the most luxurious crop of whiskers on Old Settlers' Day.

Over 100 students of the grammar and high school have been absent on account of flu.

20 Years Ago,
January 21, 1926.

"The January Birds" met for their annual conclave at the home of Mrs. Harry Williams.

25 Years Ago,
January 28, 1921.

Hale Hamilton was playing at the Orchard City Theater in "In His Brother's Place".

The Campbell Grammar school was closed as a precaution against the spread of diphtheria.

30 Years Ago,
January 18, 1916.

Rainfall for the month of January was 10.56 inches.

The annual ladies' night was held at the Masonic lodge.

35 Years Ago,
January 27, 1911.

The high school is being wired for electric lights.

Miss Mary Eckles of Saratoga spent the weekend here visiting Mrs. S. L. Hayes.

High School Teacher Resigns

C. E. York, who has taught at the Campbell Union High school for 27 years has resigned due to ill health. He has been teaching for a sum of 45 years, a few of them spent as vice-principal at the Campbell school.

He was the first to start an agricultural department in this responsible for the landscaping of part of the state, and was also the school grounds.

Mrs. Thompson Visits

Mrs. Mildred Thompson of Tulare, Calif., was a visitor at the home of her mother, Mrs. Jim Enyart, 189 Dillon, last week.

Mrs. Bohn In Hospital

Mrs. Theodore M. Bohn, Hazel Ave., is recuperating from an appendectomy undergone last week at O'Connor Sanitarium.

Grange Hears Court Reporter

Members of the Orchard City Grange with the new master, Herbert Shadle, presiding, heard Eugene Moore, Santa Clara County court reporter, at the last meeting on Jan. 22. Moore told the group of the problems confronting the court reporters at the San Francisco Conference of United Nations.

His particular work at the Conference was taking care of the housing problem of all the news correspondents, co-ordinating the speakers' reports and lastly, but most difficult, overcoming language barriers.

Game Violations

Violations of the California fish and game code during December resulted in the arrest and conviction of 274 hunters and fishermen in the State, with fines totalling $9927 and two of the violators serving 30-day jail sentences.

E. L. Macaulay, Chief of the Bureau of Patrol and Law Enforcement, Division of Fish and Game, reports that wardens arrested a total of 301 persons during the month. Of the total apprehended, 16 cases were suspended, three were dismissed, four were found not guilty, three were required to buy licenses, and one received U. S. Navy disciplinary action.

In the corresponding month last year 283 arrests were made with fines totalling $12,475.

Former Saratoga Resident In Movies

Mrs. Lillian Fontaine, a former dramatic artist with the Saratoga Players and mother of two Hollywood stars, Joan Fontaine and Olivia DeHavilland, has gone Hollywood on her own.

Mrs. Fontaine plays the mother of Jane Wyman in the new movie, "The Lost Weekend", now winning plaudits from audiences at the San Francisco Fox Theater.

Lecturer Will Speak on China

"China In World History", and what the ancient continental people of China have had to do with World War II and the peace that has still to be made, will be discussed by Dr. Aurelia Henry Reinhardt on Saturday, Feb. 2, in the fifth of her ten weekly lectures on the United Nations timed with the UNO meetings in London. The lecture will be presented in the San Jose State College Little Theater at 2 p. m. Dr. Reinhardt was called upon by the U. S. State Department to serve as counselor at the UNCIO meeting in San Francisco last spring. The lectures are sponsored by the San Jose Garden Forum. Tickets may be secured at the door.

The United States must depend on foreign sources for nearly all its tin, tungsten, nickel, platinum, mercury, manganese, and chromite.

December Aid Highest

Direct aid paid to the needy in Santa Cuara County during 1945 totalled $2,721,208, California Taxpayers' Association said today, making public its summary of payments for aid to the needy in California counties. Included are payments for aid to the needy aged, blind, dependent children, and general relief.

Monthly aid to the needy paid in the county during the year from a low total payment for August of $223,786 to a high payment for December of $231,853, the association found.

Throughout the state, direct aid paid to the needy during 1945 topped $100,000,000, reaching $106,044,765 for the four kinds of relief. Biggest monthly payment during the year was in December, when aid reached $9,135,632. Low month for the year was February, with $8,737,465 in direct aid payments. From May on, each month saw an increase in the total amount of aid given the needy in California.

"V-E day saw total aid paid out in California start upward. V-J day saw the upward trend greatly intensified," the association said.

"The cost of aid to the needy is a large factor in the tax bill which the people must pay. Relief paid out in California in 1945 took one-eighth of the total expenditures of California's state and local governments."

In 1940, the Bureau of Census reported the San Francisco-Oakland area had more housing vacancies than the national average.

$30,000,000 cash ...on the line

In 1946, your gas and electric company will spend thirty million dollars "on the line"...the power line, the gas line and the job line ... for improvements and new construction.

That is our projected construction budget in this new year of 1946 for plant and line improvements—better to serve Northern California.

This thirty million dollars is money spent for the future growth of this area. And we in Northern California must look ahead and be prepared. This is a time to get ready for the growth of new businesses, small or large; for the expansion of local factories or of larger industries backed by outside capital. It is a time to create jobs for our increased population and the development of markets for the products of factory and farm.

The Pacific Gas and Electric Company is now running a series of colorful advertisements in leading national magazines to attract new business and new industries to Northern California. It is a campaign that aims at the live interest of Eastern industries in moving westward. Your gas and electric company will keep ahead of this growth through its multi-million dollar improvement program by providing an abundant supply of electric power and natural gas fuel at rates among the lowest in the nation.

Campbell Grammar School Gets New Equipment

A new Pure-Tone Audiometer has just been received by the Campbell Union Grammar school as a gift of the PTA. This equipment is to be used as part of the school health program for ear checking. A year ago the PTA presented a Projecto-Chart for eye checking in the school.

These pieces of equipment are very desirable for use as this school has grown so much, doubling in size in the last eight years.

Country Woman's Club Celebrates Anniversary

The Country Woman's club will enjoy a birthday party at its next regular meeting Monday, Feb. 4, celebrating the 41st anniversary of the founding of the club.

The committee making arrangements for the day are Mrs. D. H. Cramer, chairman, assisted by Mesdames Ralph H. Hyde, Rose E. Hanger, S. N. Hedegard, George S. Robson, Joe C. Agostinho and F. A. Jacobson.

Featured on the program will be Miss Claire Booker with a group of violin selections, and Mrs. Allen Rudolph with a group of songs. Mrs. Ida C. Price will give reminiscences of the club's beginnings and its objectives.

The board of directors meeting is called for 1:45 p. m., to be followed by the business meeting at 2:30 p. m.

The meeting of the County Federation of Woman's Clubs held at Palo Alto, Friday, Jan. 25, was attended by Mesdames Carl B. Field, Anthony Jurras, Georgene Kidward, W. R. Morgan and Edna Smith.

Visitors From Los Banos

Mr. and Mrs. Robert Tollison, Central Ave., had as their guests for the weekend Mrs. Tollison's brothers, Barney and Billy Potter, and her cousin, Leonard Hammontree, all of Los Banos. Mr. Hammontree, who wears a purple heart, was recently discharged from the Army after service in the Pacific.

Attend Fresno Conference

Due to the illness of Ross Trowbridge, Kiwanis club president, Jack Murdock attended in his behalf the Kiwanis Presidents' and Secretaries' conference held at Fresno last wek. A. C. Currie, club secretary, was also present. Both men were accompanied by their wives.

Marriage License Issued

A marriage license has been issued to Barbara Roesch of San Jose and Ralph Harcourt Leech of Campbell.

Dance Successful

Zenetta Council No. 158 March of Dime dance went over the top with proceeds amounting to over a hundred and fifty dollars.

Horizon Club Has Dance

"Snowman's Slice" was the title on the bids of the very successful dance the Horizon Club held last Saturday night at the Scout hall. Using the wintry theme as their keynote for decorations, the girls transformed the inside of the hall into a ski lodge, and the 'teen-agers attending the dance came in appropriate sports clothing. Mrs. James Ott, mother of Marilyn Ott, the club president, donated homemade doughnuts to augment the refreshments, and the Stanley Smith family, believe it or not, produced three sleds to help add atmosphere. Chairmen of the committees responsible for the success of the dance were Patty Hoyt, bids; Lois Smith, refreshments; and Jean Smith, decorations.

Women's Service Club Buys Addressograph

The regular monthly meeting of the Campbell Women's Service club was held at the home of Mrs. LBen Howard Jan. 24. Assisting hostesses were Mrs. Bessie Porter and Mrs. Ray Fish.

Members voted to buy an addressograph which will be available for the churches and clubs of the community. On Feb. 14 the club will serve at the USO snack bar.

Lanis Hunter To Be Married

A marriage license has been issued to Raymond N. Hughes, New Orleans, La., and Lanis Lee Hunter of Campbell.

Jack McCarthy Is Home

Cpl. Jack McCarthy, son of Mr. and Mrs. Frank J. McCarthy, 132 N. Milton Ave., who earned a Scotland Yard degree while awaiting transportation home, is now in Campbell at the home of his parents after receiving his discharge at Fort McArthur, San Pedro.

McCarthy, a Campbell High graduate of 1942, was a member of the famed 101st Airborne Division and later transferred to the 82nd Airborne Division. He wears the Purple Heart, the Presidential Citation, 3 battle stars, decorations from Holland and Belgium, the ATO, the All American Army and the Good Conduct Medal.

He arrived in New York Jan. 3 aboard the Queen Mary and took part in the parade of the 82nd Airborne Division on Fifth Avenue Jan. 12.

A twin brother, Frank J. McCarthy, is a flight engineer on a B29 now based at Okinawa.

Death Takes Jack Youngren

Funeral services were conducted Tuesday afternoon at 2:00 for Jack F. Youngren from the chapel of Amos O. Williams Co., with interment at the Santa Clara cemetery.

Youngren who lived at 36 N. 1st St., leaves his wife, Grace, and two children, Jack Fred and Ellen Marlene here. A native of Minnesota he also leaves four brothers and four sisters in Wisconsin and Minnesota.

Art To Be Displayed

With a new and spacious building in which to display their works and with much stress being laid on the arts exhibit during the 1946 California State Fair, August 29 to September 9, F. M. Banlusky, manager, today invited all California artists, photographers and sculptors to compete in this year's exposition.

Plans include a complete section for display of oil painting and water colors with added stress this year on prints nad sculpture.

One of the most modern buildings on the fair grounds has been assigned to the arts exhibit, to be known as the Fine Arts Building.

A new feature of the arts exhibit will be a news photo contest, limited to California newspaper cameramen. Pictures selected as the best news shots of 1946 will be displayed in open competition among accredited news photographers.

Grant Duggins of Sacramento is manager of the arts exhibit.

The College of the Pacific, Stockton, is the oldest incorporated educational institution in California.

AVOID TOOTHLESS DAYS

HAVE TEETH EXTRACTED AND PLATES FITTED AT SAME SITTING

Ballard 1103

Modern Dental Science has made possible "NO TOOTHLESS DAYS," or "Immediate Restorations." This is particularly important for those who have to meet the public during their daily occupation, such as teachers, actors, sales persons and others. They appreciate the importance of being able to wear their NEW DENTAL PLATES IMMEDIATELY FOLLOWING FINAL EXTRACTIONS ....

LOWER PLATES

A standardized Double Impression Technique for lowers makes it possible to overcome many cases that were formerly considered very difficult. Mouths With Little or No Lower Ridge belong in this class.

Patients who have tried this type lower plate with the new acrylic material and the new translucent teeth agree that the dental profession can now say, "You can EAT, TALK and SMILE with confidence."

No Appointments Necessary for Extractions

Saratoga Girl Announces Engagement to Campbell Man

At a buffet supper given at the Saratoga home of her parents, Mr. and Mrs. Bert Bertelsen, Miss Viola Mae Bertelsen, WAVE SK 1/c, announced her engagement to Edwin E. Kersgard, son of Mr. and Mrs. O. C. Kersgard, Campbell Ave. and Milton.

The bride-elect is a graduate of the Los Gatos high school and also attended Heald's Business College. Before her enlistment in the WAVES in October, 1943, she was employed by Food Machinery Corporation. For the past two years she has been stationed at Mare Island.

Mr. Kersgard attended San Jose State college and was a captain in the Army Air Corps for four years, with three years overseas duty in England. He is now employed in the planning department at Moffett Field. He was recently installed as president of the Sons of Spanish War Veterans.

The wedding date has not been set.

Marriages and Births Increase

Seven thousand more babies were born in California in 1945 than in the previous year, according to a report made to Gov. Earl Warren by the Department of Public Health. The department reported marriages increased from 86,628 to 93,182.

Engagement Announced

The engagement of Miss Betty Clevenger, daughter of Mr. and Mrs. Chester C. Clevenger of San Jose, to John M. Talia, son of Mr. and Mrs. Michael Talia, Campbell, was announced at a meeting of the Zeta Kappa Sigma sorority when the bride-elect presented members with a box of chocolates containing tiny cards inscribed with the names "Betty and John".

A graduate of San Jose High school, where she held membership in Torch and Laurel, honor society, the future bride is now employed by a San Jose business firm.

The future benedict, who is also employed in San Jose, has just received his discharge as a Lt. (s.g.) in the U. S. Navy. Before entering the service, he attended Campbell Union High school and was graduated from San Jose State College. He was affiliated with the Alpha Eta Sigma fraternity on campus.

San Francisco is the largest financial center, distribution center, and security market on the Pacific Coast.

Two Operas Playing Saturday

The San Carlo Opera Company returns this Saturday, Feb. 2, to give two operas, "Hansel and Gretel" in the afternoon at 2:30, and Verdi's "Aida" in the evening at 8:30. Rich costumes, elaborate scenery, a large ballet and orchestra are but a small part of the stupendous production of "Aida". Willa Stewart as the Ethiopian slave, Mostyn Thomas as Amonasro, Marie Powers as Amneris and Ernice Lawrence as Rhadames make a very strong cast.

Mina Carvi sings role of Gretel in "Hansel and Gretel" sung in English.

Mina Cravi and Gloria Curran sing the roles of Hansel and Gretel in the fairy opera. "Little Susie", "Little Man in the Woods", "When at Night I Go to Sleep, Fourteen Angels Watch Do Keep", are among the famous songs. Gloria Curran comes up especially from the Los Angeles Civic Light Opera Company to sing the role of Gretel.

Marian Anderson on Feb. 25, and Elizabeth Bergner in "The Two Mrs. Carrolls" on March 11, are the next two Denny-Watrous Management events following the San Carlo Opera.

Campbell Girl Scouts

Troop 25 enjoyed a delightful party Jan. 24, given them by Mrs. Mona Dickerman, one of the troop committe, for work well done over the holidays.

Betty McCrary and Barbara Burk, having completed their Tenderfoot rank, received their pins and were welcomed into the troop officially.

Betty Fujimoto received her First Aid badge she earned before transfering to the troop.

The girls are well on the way of their can food drive for Russia, which will end Feb. 7. The mention of needles was forgotten in the list for the friendship bags.

Peggy Hall, Correspondent.

Cancer Society Open Offices

The American Cancer Society, a National organization, has opened an office in the Burrell Building in San Jose for disseminating information, education and service to the people of Santa Clara County.

This office is open from 12 to 4, Monday through Friday, where people may come to obtain literature and discuss their health problems.

Mrs. Ryer Nixon, State Commander of the American Cancer Society in San Francsico, has proposed a ten point plan:

1. Terminal beds—beds in recognized hospitals for the care of the incurable patient, who is unable to have such care in his own home or to pay for it in a hospital;
2. Assistance to approved clinics through salary payment to nurse, medical social service worker or clerical help;
3. Payment of salary of nurse for cancer cases connected with Visiting Nurses' Association;
4. Financial assistance to doctors wishing to take refresher courses given in Los Angeles or San Francisco hospitals;
5. Providing materials for free cancer dressings given to our patient clinics and Visiting Nurses' Associations;
6. Provision of educational literature to be distributed through information centers, schools and organizations;
7. Transportation of indigent pations to and from clinics when approved by Public Welfare;
8. Grants for clinical study to hospitals and universities;
9. Endowed beds for operative cases;
10. Making and distribution of films of educational value on cancer facts.

This is the plan that the local group expect to carry out this year.

The County American Cancer Society has moved to become affilated with the Council of Social Agencies. They will be represented by Mrs. Ambrose Byrne McSweeney, with Mrs. Morgan Dillon Baker serving as alternate.

Plans have been proposed for a dinner meeting March 7 in preparation for the April Cancer Drive.

Mrs. Blair Convalescing

Mrs. Frank Blair is recovering from a serious appendectomy undergone last week. She is expected home from the hospital soon.

Novelty Presentation

The Speech and Drama Department of San Jose State College will present the first play of the winter quarter with a penthouse production of Emmet Lavery's comedy "Brief Music", in the lounge of the Student Union. The production which will open Tuesday, Feb. 5, and continue through Saturday, Feb. 9, begins at 8:30 p. m. The cast is rehearsing under the capable direction of Mr. James Butler of the speech faculty.

The play will be of much interest to playgoers, for the novelty of the production features the "penthouse theater", in which the acting area is entirely surrounded by spectators. Though this type of presentation has been very popular at the University of Washington, where it was instituted by Professor Glenn Hughes, it has only been presented in this style once before at San Jose State, some seven years ago, when Noel Coward's "Hay Fever" was presented. It was enthusiastically received by the audience at that time.

With a stellar cast "Brief Music" should be as delightful. Familiar names in the cast are Stella Pinoris, Joanne Hildebrand, Elda Beth Payne, Esther Hessling, all who were recently seen in the production of "Ladies in Retirement", Shirley Wilber in "Outward Bound", and Betty Jones and Barbara Cornwell, veterans of former plays.

Because of the limited accommodations, reservations should be placed immediately by calling the Speech Department of the college at Ballard 7805.

High Accident Rate

For almost every mile of California's rural state highway system, one person was either killed or injured in 1944, the California State Automobile Association points out. Casualties totalled 11,107 for 12,869 miles of the road system. Major traffic routes, comprising 20 per cent of the state highway mileage, were the scenes of 47 per cent of the accidents.

Date for Senior Play Changed

The date for the p resentation of the senior play at the Campbell Union High school has been changed from March 1 to March 8.

☆ The Book Mark ☆

by vivian

Seventeen years ago a sports writer in Berlin, who was covering a six-day bicycle race, mentioned to his fellow reporters that he had just written a novel about the war. His friends threw up their hands; nobody wants to read a war book, they said. But that war book sold more than a million copies in Germany alone, became an international best-seller, and was made into one of the most successful movies ever produced. The book was "All Quiet on the Western Front" and the sports

Erich Maria Remarque

writer was Erich Maria Remarque.

Remarque earned his success the hard way. Drafted into the Kaiser's army at 18, he was wounded five times. In the economic chaos that followed the war, he tried practically everything to keep going; he taught school, worked on newspapers, was a test driver for a tire company; at one time he even played the organ in an insane asylum.

The Nazis hated Remarque. They burned his books, took away his citizenship. The author became a refugee, one of the people he writes about in his new novel, "Arch of Triumph".

"Arch of Triumph", like "All Quiet on the Western Front", is a Book-of-the-Month Club selection, and, like it's predecessor, is slated for the best-seller lists and for the films. Remarque is now living in New York and is due to become a U. S. citizen this year.

Driving Fatigue

Judgment of depth, distance and speed are impaired and reaction time is slowed if an automobile driver is excessively fa--tigued, or sleepy, the California State Automobile Assoiation warns. Under such conditions, let someone lese take the wheel; or pull off the road and rest. A car travelling at 35 miles per hour covers 51 feet in a second. One second is long enough for the car to leave the road, or collide with another vehicle.

LEGAL

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC DEVERAGES.

January 29th, 1946.

To Whom It May Concern:

Notice is hereby given that fifteen days after the date posted, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

San Jose-Los Gatos Hwy between Maywood and Downing Avenues, Campbell.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance by transfer of an alcoholic beverage license for these premises as follows:

On Sale General.

Anyone desiring to protest the issuance of such license may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.
